## EARLHAM CLUBS

---

### THE CHICAGO-EARLHAM ASSOCIATION

The first meeting of this association was held about 1890. They plan to meet once a year, usually in the winter. All resident graduates and former students are eligible as members. Of a possible one hundred and fifty, there have been as many as seventy-five together at once. This is the oldest Earlham club.

The present officers are:

President—Claburn S. Jones, '84.

Secretary—August Zimmerman.

### THE PHILADELPHIA-EARLHAM CLUB

The first gathering of Earlham people in and about Philadelphia was held in December, 1899. A formal organization, however, was not effected until June, 1902. Former students and friends of Earlham constitute the membership, which now numbers about one hundred. Meetings are held twice a year; a winter meeting at the home of a member, and a spring picnic in the country, with an average attendance of fifty members.

The present officers are:

President—Manning J. Smith.

Secretary—Lillian Rae Chandlee.

Treasurer—Francis Maxfield.

Executive Committee—The above officers and Anna C. Swan, '02, and Herbert E. Tebbetts, '12.

### THE NEW YORK-EARLHAM CLUB

This club was organized in 1911, and holds one meeting a year. Its membership consists of graduates and old students in and near New York.

The present officers are:

President—Richard Warren Barrett, '97.

Secretary—Mrs. Arlando Marine, '87.

Treasurer—John H. Link, '04.

## THE INDIANAPOLIS-EARLHAM CLUB

The first meeting of this club, a banquet with two hundred and fifty persons present, was held in June, 1911. One hundred and seventy-two persons are members of the organization. The officers elected at the first meeting are still serving and are:

President—Isaac E. Woodard, '04.

Vice-President—Anna Evans, '00.

Secretary—Josephine Kopf.

Corresponding Secretary—Mary I. Hollowell, '86.

Treasurer—Joseph John Dickinson.

All Earlham graduates or old students, who find themselves in or near the above cities, are cordially invited and urged to make themselves known and to join the clubs.

Earlham clubs, if organized in many other places where there are several Earlham people, would be found to be of much interest, and also would fan the "Earlham Spirit," which is always present whenever old Earlhamites meet together.

## CLASS SECRETARIES

---

It has appealed to several of Earlham's Alumni that the appointment of Class Secretaries in each class would in time develop a closer organization and keep Earlham's Alumni more in touch with each other and the College.

Some of the classes have already formally done this; in some others an interested member has kept the other members in touch with each other.

Should such class secretaries be appointed, each class member could then keep in close touch with the class secretary and co-operate with him in all matters of class interest, such as reunions, keeping up a class letter, finding lost members, etc., etc. The class secretary should always be in touch with the College Registrar, and also with the Secretary of the Alumni association. Such a list of persons about whom "Information is wanted," as we print this year, might then be avoided, and every alumnus might feel that he has an active part in the College Alumni life.

It is to be hoped that the Alumni Association will develop some plan for regular reunions of certain classes each year, thus making Tuesday of Commencement week, a real Alumni Day. In planning for these reunions, the Class Secretaries might be of great advantage.

So far as known, the Class of 1912 has the only regularly appointed Class Secretary, Mr. Raymond Myrick.

Hoping that some such plan may be adopted, and that the next Triennial Bulletin of Alumni may be more nearly complete than it is possible for this to be,

MARY A. JAY PALLARD, Registrar.
